Visita di FORDYSVAR alla Facoltà di Educazione dell'Università di Barcellona

Alcuni membri del Progetto FORDYSVAR hanno fatto visita alla Facoltà di Educazione dell'Università di Barcellona (Spagna).

Durante il soggiorno, le docenti dell'Università di Burgos Sonia Rodríguez Cano e Vanesa Delgado Benito hanno avuto un meeting con la professoressa **Anna Forés Miravalles**, dottore in Filosofia e Scienze dell'Educazione, laureata in Pedagogia e Direttore del Corso di Specializzazione in Neuroeducazione all'Università di Barcellona.

Septiembre 2021, Barcelona (Spain)

Nel corso dell'incontro sono state spiegate le finalità del Progetto FORDYSVAR. Le docenti dell'Università di Barcellona, Anna Forés e Isabel Piedrola, hanno potuto utilizzare i visori di Realtà Virtuale con l'applicazione disegnata e sviluppata in formato di videogame.

Dopo l'incontro, le docenti hanno espresso il loro interesse nei confronti del progetto e anche nello sviluppo di eventuali future collaborazioni tra le due istituzioni.

ERASMUS DAYS 2021

Anche quest'anno il progetto FORDYSVAR ha partecipato allo svolgimento degli ERASMUS DAYS, uno spazio per la disseminazione dei progetti e delle attività finanziate dall'Unione Europea, focalizzandosi sull'inclusività e sui progressi e gli obiettivi che questo progetto intende raggiungere

In tale occasione, queste conferenze hanno dato agli studenti della Facoltà di Educazione e della Facoltà di Scienze della Salute l'opportunità di sperimentare il software di Realtà Virtuale e di Realtà Aumentata sviluppato dal progetto.

Inoltre, sono stati tenuti diversi talk informativi sul progetto in entrambe le Facoltà.
